IVF timeline

[a] **DRUGS** = costs based on average drug costs. Please note these vary from patient to patient and drugs are issued at different stages throughout treatment. You will be billed and payment will be due each time you collect drugs from the clinic. [b] **Testicular sperm retrieval/back up sperm storage** can happen before treatment starts in some cases

DISCLAIMER: the costs shown are only clinic costs and an estimate. Anything outside of these costs are covered by the patient e.g. anaesthetist, acupuncturist etc
