

Are you up for it?

Sperm is the ultimate gift and if you're up for it, we need you!

You don't need to be a Schwarzenegger or an Einstein... but don't be put off if you are one. If you're a healthy male between 20 and 45, help someone realise their dream of having a family.

Fertility Associates have been busy building families for over 20 years and our donors are a big part of this.
